UNDERTAKINGS

Ihereby undertake the following

1. That, upon sanction of the solar power plant I will deposit 10% of the balance amount after 60% subsidy on benchmark cost of the project.
2. That, for the balance amount of project cost, I shall avail bank loan for which TPNODL will facilitate the same.
3. That, I will render all necessary cooperation to the empaneled Business associate during installation and commissioning of the solar power plant.
4. That, I will be responsible for the safety and security of the installed solar power plant and other electrical equipment.
5. That, I will follow all necessary instructions given to me for maintenance and upkeep of the solar power plant.
6. That, I will execute necessary power sale agreement with the TPNODL to sell my excess solar power to the DISCOM.
7. That, the entire outstanding arrear amount on my agriculture connection, if any shall be cleared by me upfront to be eligible for this scheme.
8. That, TPNODL shall install BLE meter or any other suitable meter for my agricultural connection as also suitable Gross Metering arrangement for the Solar Power Plant which will be connected to the TPNODL power distribution system.
